ELITE FREE PRODUCT POINTS

Bringing people and nutrition together.

Earn **EFPP's** and Redeem for **FREE** Products!

A simple and fun way to receive **FREE** products, Elite's **FREE** Product Points (EFPP's) allow qualified Members to earn and accumulate points that can be redeemed for products!

How To Earn EFPP's!

Qualified Members automatically earn 50 EFPP's for a Monthly Order* with a QV of 30 and earn 100 EFPP's for a 75 QV or higher Monthly Order. What could be easier! Every 10 EFPP's is worth \$1** in retail product and can be redeemed in increments of ten once a minimum of 300 EFPP's*** have accumulated.

Example: You wish to redeem EFPP's to receive a **FREE** bottle of Millennium. The retail cost of Millennium is US\$28.50, therefore, you need to redeem 290 EFPP's for your **FREE** product.

How to Redeem EFPP's!

Even easier, redeeming EFPP's can be done by visiting the Policies and Procedures Section of the corporate website and clicking on the Redeem EFPP's link. This will allow you to send an email request, which must include your Name, Member ID#, **FREE** Product name and item number, along with the retail cost. We will confirm via email when your **FREE** product order has been processed. Or, as always, you may call Customer Service to redeem your EFPP's (see back for phone numbers).
